CC5 CONVEYOR CHAINS

ABOUT KÖBO

KÖBO is one of the leading German manufacturers for engineered class chains and sprockets. KÖBO has been providing customized high-quality chains, sprockets and accessories for the Automotive Industry for over 120 years.

KÖBO CHAINS

The precise manufacturing of CC5 chains guarantees a smooth conveying and a high reliability for every application. We develop CC5 chains that can be customized. These chains are designed with removable rollers and guide blocks, which are fastened with screws or clips.

LUBRICATION-FREE CHAINS

The lubrication-free conveyor chains are manufactured with special bushings which do not require any additional lubrication. They guarantee a long lifetime of the chain and a sustainable low-cost production.

BENEFITS OF MODULAR CC5

- Variable high roller sequence
- Variable wear pad
- Available in stock

BENEFITS OF LUBRICATION-FREE CHAINS:

Maintenance-free
Competitive pricing
Environment-friendly

SPROCKETS

KÖBO also manufactures sprockets to ensure a smooth interaction between chain and sprocket.
